We're pleased to be your partner in maintaining great oral health. The Delta Dental PPO* plan makes it easy for you to find a dentist, and easy to control your costs when you visit a network dentist. Here are some of the great things you'll need to know about enrolling with Delta Dental:

- **Save money with a Delta Dental PPO dentist.** Our PPO network dentists accept reduced fees for covered services they provide you, so you'll usually pay the least when you visit a PPO network dentist. This also ensures Delta Dental dentists won't balance bill you the difference between the contracted amount and their usual fee.
- **Visit the dentist of your choice.** Want to visit a non-Delta Dental dentist? No problem. You can visit any licensed dentist, but your costs are usually lowest when you see a PPO dentist.
- **Many network dentists to choose from.** Since Delta Dental offers access to some of the largest dentist networks in the U.S., chances are there's a wide choice of network dentists near your home or office. Four out of five dentists nationwide are contracted Delta Dental dentists, giving more enrollees convenient access to more dentists. Visit us at www.deltadentalins.com to search our dentist directory by location or specialty.
- **Easy to use your benefits.** When you visit a Delta Dental dentist, pay only your portion for services. Delta Dental dentists will file claim forms for you and receive payment directly from us. Many non-Delta Dental dentists ask that you pay the entire cost up front and wait for reimbursement.
- **Delta Dental's Online Services make getting information quick and easy.** Access your benefits and eligibility, print ID cards and get information about your claims. And check out Delta Dental's oral health resources too for tips and information that can help keep your smile healthy.
